

The 2001 Juvenile Diabetes Foundation CYCLOTHON

A WINNING CHANCE !

Dearest Friend,

Here is a chance for you to win. I hope you will. The ultimate prize for my team would be to find a cure for Juvenile Diabetes. JDF will be holding its annual Cyclothon on May 27th, 2001 in and around LaFontaine Park. My hope is that you will join the JDF team by sponsoring me in cycling the 50 kilometer route. As an Executive Rider it is my privilege to represent JDF and to raise the funds so greatly needed to help find a cure. Together we can make a difference in many lives.

The ultimate win is a cure!

Many thanks to you,

Suzie Reisler Litwin
